

# Condobolin Public School

68 Molong Street  
CONDOLIN NSW 2877

*Strong Smart Proud*

## *PBL tokens*

***These tokens encourage our students to work together towards a whole school reward.***

- All staff (teachers, admin, SLSOs) will hand out unlimited PBL tokens as fast and frequent feedback to students for demonstrating the 3 positive values of Strong, Smart and Proud. These are given in all areas of the school.
- Students place Tokens with their name and class on the back, in their class box after each break.
- Each Monday morning, 'good ones' will be randomly drawn from the class box, (two from each mainstream class, one from each support class). These students will select a gift from the prize box.
- The Token boxes will be emptied into a larger box in the hall during Monday assembly.
- Once these tokens reach the specified height in the box, all students will receive a whole school reward (as agreed by staff and students). This may occur at various times throughout the year.

## *Merit system*

**These awards encourage our students to be the best they can be in all of their learning.**

- Merits awards will be awarded each formal assembly for stand-out positive behaviour, kindness, improvement, effort or application in any curriculum area in the classroom, by the class teacher.
- PBL merit awards can also be issued for stand-out demonstration of the school values or weekly focus in the areas of Strong, Smart or Proud.
- RFF, learning support and Library teachers can award merits, in consultation with the classroom teacher.
- The Principal can award Principal Awards at their discretion. These will count as merit awards.
- 100% attendance awards will be handed out each term. These will count as merit awards.
- Attendance goal awards will be handed out each term. These will count as merit awards.
- Teachers will mark a book to keep record of the merits.
- Once students have reached Bronze, Silver, Gold or Platinum level, they can submit their book at the front office.
- Bronze, Silver, Gold and Platinum awards will be presented at the next formal assembly. Parents/carers are welcome to attend.
- Teachers will keep track of merits at the classroom level in the School Bytes system. The Principal will track Bronze, Silver, Gold, Platinum, 100% attendance awards and Principal Awards.
- The merit award system will begin anew at the beginning of each year.

The students have an opportunity to receive once in their primary schooling years the ***“Let Your Light Shine Award”***
