**General business:**

Message from Natalie McDonald, Nat is unable to attend Thursdays anymore re the day of meetings and would we consider a change of day, but Joe is not able to come another day.

Marg Baxter re the teachers parking out the front and teachers are not covered for the cars that are parked in the lot and is there an option to allow to free up some of the parking for visitors to school

Facebook page, why can't we have one? We need someone to be able to man the page and be technically able too. Maybe approach teachers for Facebook page.

Uniforms: can we look at changing the uniform maybe look at a unisex uniform. Ce has some options available for us to consider. From Target online. Will need to do a survey first. And we are having trouble sourcing the current uniforms. To do a survey we will need to look at options beforehand. To keep in line with the condo colours and with what the high school has maybe, to look into putting a logo. Need to get ideas as to what is needed .Add to the newsletter that we are looking to revamp the uniform and that what is needed. No available storage at the school. Is there no reason for us to be able

to erect something that could be used for storage. What about a shipping container maybe that could store uniforms be sold from the canteen? To look into this that maybe be viable.
