MONDAYS

Principal's Report

At Condobolin we are Strong Smart and Proud

Variety Bash

Our school oval was filled with weird, wonderful and colourful cars yesterday morning as the 2011 Newcastle Variety Bash started their journey. The vintage of vehicles ranged from 1957 to 1974, and many of the drivers came dressed in costume for a sumptuous breakfast prepared by the P&C. Thank you to the many parents and staff who assisted.

Variety Bash is a children's charity. They have kindly donated money towards the purchase of Board Maker software and a range of laptop computers for student use. We are very grateful for this donation.

Before heading off to class, all students were treated to a brief magic show. The world's skinniest magician, Super Hubert, kept the students enthralled with his performance.

Welcome

This week two Third Year Student Teachers joined the staff. Miss Noonan will be working with the students in S1R and Miss Cain is working with S3P. Both ladies will be here for the next five weeks. We welcome them to our school and look forward to them working as part of our team.

Bus Passes

At the end of last week, a brief note was sent home reminding parents that students catching the town bus require a bus pass. Students without a bus pass will not be allowed on the bus.

If you need to apply for a pass, the appropriate forms can be collected from the office.

Attendance

Currently our attendance rate is at 90.2%. As the weather cools and a variety of 'bugs' are passed about, we find that there is an increase in the number of students away, and therefore a fall in our attendance rate.

Please ensure that if your child is absent from school that a note is sent, or phone call is made to explain this as soon as possible.

Cont'd.....

Donations

Our thanks go to Lodge Condobolin for their kind donation of \$100 to the school. A second donation of \$100 was made to the Born To Read program.

Head Start

We are well under way with our Head Start program for this year. These happy students are settling very quickly into school routines.

Sporting Commitments

Today, a number of our students have been competing in the annual Peachy Richardson Cup, playing rugby league. This is a mixed competition with teams being fielded for Stage 2 and Stage 3.

Our girls' netball team will be playing the first game for the season on Thursday. We wish them all the best.

Students will be travelling to Forbes on Friday to compete in the Zone Cross Country. As the weather is rather cool, please ensure that students have warm clothing to wear before and after running. They will need to be wearing their sports uniform with appropriate running shoes for competition. Notes for this should have been returned. Mrs King will be in attendance.

Walk Safely to School Day

This Friday is Walk Safely to School Day to promote active kids are healthy kids.

CROSS COUNTRY

The School's Cross Country was held Wednesday 4th May on the school grounds. All the school was involved in the cross country which wound through the school grounds. Participation and behaviour was excellent from all students. Those students who qualified for zone compete at Forbes for zone. A Big THANK YOU to all parents who came to be marshals on the course. We would not have been able to hold this event without your help.

Harness the Possibilities for Young People with Developmental Disability

Family Advocacy is excited to announce a new initiative that aims to support families in which there is a child or young person with developmental disability (0-18 years) to establish community connections, develop networks and have skills and ideas to direct any necessary supports. *Resourcing Families* assists families with information, ideas and strategies for having a clear, positive vision and pursuing the good life for people with disability.

Resourcing Families is coming to **Condobolin**

Join us for an information session on Tuesday the 7th of June

10.00 AM – 12.00 PM

or

7.00 – 9.00 PM

**At the Condobolin RSL Club,
20 McDonnell St, Condobolin,
Ph: 6895 2113**

Families and professionals welcome

The 2 hour session will provide information about positive vision, valued roles, community connections, circles of support and self directed supports. All of which can release potential and build an inclusive life for a young person with developmental disability.. Information sessions are free.

If you are interested to attend an information session or want further information, than please contact me at emma@resourcingfamilies.org.au or 1800 774 764 (free call).

To know more about *Resourcing Families*, please take a look at our website. You will find a lot of articles, resources and personal stories that we hope will prove helpful and inspiring: <http://www.resourcingfamilies.org.au/>

Kind regards,

Emma Baxter

University of NSW Competitions Years 3-6

Each year the University of NSW conducts International Competitions in various subjects. These competitions are a great way for your child to experience doing external tests in a very structured way. The results are analysed and you receive information on areas that your child did well in and areas that need to be developed. It is a valuable learning opportunity.

The competitions are listed below along with their costs and the dates that the money has to be at school. You can enter any number of competitions. You can pay for them all at once or pay for each one as the due date approaches. Please consider entering your child as they are an interesting and useful experience.

If you have any questions, please contact me.

Mrs McDonald

Competition	Closing Date	Cost	Tick if entering
