MONDAYS

Principal's Report

In this past week we have noticed a number of students arriving at school well before 8.40am. Parents are reminded that teachers do not go on duty until that time. As such, students are not supervised prior to 8.40am. For student safety, we ask that parents consider the time in which students leave for school so they arrive at a safe time. Where students arrive early, they are to stay seated until the bell goes and teachers are on duty.

Who is listening?

From time to time, children overhear adult conversations. Some of what is heard is then relayed to other students or teachers.

Please be careful about what is spoken in the vicinity of children, particularly if you do not want what you say repeated. On occasion, this may be in relation to how parents feel about a particular student, parent or teacher. This can be upsetting to others.

Peachey Richardson Cup

Four teams of students will be competing in the annual Peachey Richardson rugby league event this Thursday at the sports grounds. Miss Shipway will be on hand to supervise any students who arrive at the grounds in the morning. Miss Richards will walk other students from the school to the grounds.

Fragrant Free

As our students grow and change, many begin to use deodorants. When purchasing a deodorant for your child, please ensure that it is fragrant free as some of our students are highly allergic, suffering anaphylaxis or asthma attacks as a result of the perfume.

P&C Meeting

The next P&C meeting is to be held in our library this Thursday, 6 June at 7.00 pm. All interested parents and community are invited to attend.

Child Protection Lessons

Child Protection is an ongoing program from Kindergarten to Year 6. There are three themes dealing with Recognising Abuse, Power in Relationships and Protective Strategies. All NSW schools must provide this course for their students as part of our Personal Development, Health and Physical Education curriculum.

The major purpose of this program is to reduce the incidence of all forms of child abuse. Materials and lesson content are always available for parents to view.

PBL Focus

The focus for our PBL lessons for the rest of term is "Thinking Before You Act". When we do this, we are being STRONG.

CWA Public Speaking Competition

Condobolin Public School representatives, Anika Wrigley, Caitlin Keen, Meg Walton and Felicity Baxter attended the Oxley Group CWA Public Speaking Competition held at Tullamore Memorial Hall, Tullamore last Tuesday 21st May. The girls expressed favourably how well organised and executed the competition was delivered and how fiercely sort the winning placegetter was competed. They had to compete against 28 different schools. In the 5/6 category there were 46 competitors and in the 3/4 category there were 45 contestants. Our team of novice public speakers, including the thrice seasoned representative in Felicity Baxter, competed strongly receiving admirable comments for their individual speech delivery.

Condobolin Public School would like to congratulate these competent public speakers on their success and to thank the mothers who accompanied our representatives, Ms Tara Baxter, Mrs Lizzie Keen and Mrs Natascha Wrigley, for their support in car travel.

LIVING LIFE MY WAY

Yarnin' about disability with Aboriginal communities

If someone finds it hard to do everyday things because of a physical or intellectual condition, this is known as 'disability'.

A disability could make it hard for someone to move around, see and hear properly or affect the way they think or understand things.

Tell us what you think...

You may be aware there's been a lot of talk lately about the changes to the way the NSW and Australian Governments will be supporting people with disability.

If you're a person with disability, if someone in your family, someone you know or care for is a person with disability you need to know about these changes.

The NSW Government is holding Disability Yarn Ups in 10 locations across NSW during June 2013 to inform you about these changes and to get your ideas about what difference they will make in your life.

I want to find out more...

You can find out more information about the Disability Yarn Ups:

Online www.adhc.nsw.gov.au

Phone 1800 605 489 (ask for Nattie)

Email livinglifemyway@facsc.nsw.gov.au

You don't have to register... you're welcome just to turn up on the day. But if you want to let us know you're coming, please call Nattie on 1800 605 489.

The Disability Yarn Ups are FREE to attend and will be at these locations:

- Albury – Fri 7 June 2013
- Bathurst – Tue 18 June 2013
- Campbelltown – Wed 12 June 2013
- Condobolin – Wed 19 June 2013
- Dubbo – Thu 13 June 2013
- Gosford – Wed 19 June 2013
- Lismore – Thu 13 June 2013
- Mt Druitt – Fri 14 June 2013
- Shellharbour – Wed 5 June 2013
- Tamworth – Fri 14 June 2013

We'll give you lunch and morning tea.

Please tell your family and friends so they can come too.

If you can't get to one of these locations, we might be able to help you get there. Talk to Nattie – she'll tell you what we can do.

How we'll use your ideas

People who work for the NSW Government will consider your ideas as part of planning and helping make sure Aboriginal people with disability and their families and carers are ready for the disability changes.

Thanks for being part of our Disability Yarn Ups – you're helping make things better for Aboriginal people with disability and your community
