Principal's Report

Last week families were provided with *General Permission to Publish* notes. If you have not as yet returned the permission note for your children, we ask that you do so by the end of the week.

If you require another note, please contact the school. From next week, if your child does not have a *General Permission to Publish* provided, their name and/or photo will not be able to be printed in the school newsletter.

Remembering the Anzacs

Recently I received a letter from a former student of Condobolin Public School, Mr Greg Raffin. He had recently attended a special commemorative service to honour those killed during the deployment of the Australian Naval and Military Expeditionary Force in 1914. The service was held at the Bita Kapa Cemetery in Rabaul, Papua New Guinea.

Mr Raffin wrote, "*Whilst visiting the graves of the fallen I noticed that several of the graves had small crosses placed on them which had been provided by students of your school*".

During the Stage 3 excursion to the Australian War Memorial in Canberra in August, students were given a small wooden cross on which to write a message, their name and name of their school. Crosses containing messages from Jozsef, Martin and Torilee were photographed at the cemetery in Rabaul.

Photos of these crosses have been sent through to the school and are attached to the bulletin this week. We assume that other crosses have been placed at cemeteries in other parts of the world to commemorate the lives of Australians lost in World War 1.

High School Transition On Wednesday

Year 6 students were excited to participate in the first of the transition lessons at the high school last week. The next lesson is to be held tomorrow. Students will be permitted to wear their Year 6 shirts on these days. As all transition lessons are practical lessons that require appropriate footwear, students who do not wear black school shoes or joggers will not be able to participate.

Stage 2 Excursion

Students from Years 3 and 4 participating in the two-day excursion to Dubbo this week are expected to be at school by 8.30 am as the bus will be leaving promptly at 9.00 am on Thursday, 16 October. They will return to school on Friday, 17 October between 4.00 pm and 4.30 pm.

In line with our Excursion policy, students will not be permitted to take any electrical item that can access internet or social media, any sharp or expensive items.

AECG Annual General Meeting

The annual general meeting of the AECG has been postponed until 11am on Tuesday, 21 October at Condobolin High School. Parents and members of the Aboriginal community are invited to attend.

* eligibility criteria apply

WHAT IS THE FAMILY ENERGY REBATE?

The Family Energy Rebate helps to cover the cost of energy bills for NSW households with dependent children. In 2014-2015 the rebate gives:

- A \$150 credit on electricity bills for eligible applicants who hold an account with an electricity retailer
- A \$165 direct payment to nominated bank accounts for eligible applicants who live in a residential community (caravan or mobile home park) and receive electricity from the park operator.

AM I ELIGIBLE FOR THE REBATE?

To be eligible you **MUST**:

- Be a NSW resident; and
- Have been assessed by the Federal Department of Human Services (DHS) as being eligible for the Family Tax Benefit (FTB) A or B at any time during the 2013-2014 financial year, and have received an FTB payment in respect of that eligibility; and
- Be an account holder of an electricity retailer, or a long-term resident of a residential community (caravan or mobile home park), whose name appears on the electricity account for supply to her or his principal place of residence.

WHAT DO I NEED TO DO BEFORE I APPLY?

Before you apply, here's a quick checklist. Have you:

- Lodged your tax return for 2013-14 with the Australian Taxation Office or informed the Department of Human Services (DHS) if you are not required to lodge a tax return?
- Received confirmation from DHS as to your eligibility for Family Tax Benefit A or B for 2013-2014?

HOW TO APPLY

- **ONLINE** – it takes just two minutes to submit an application. Processing starts immediately.
- **PAPER** – download a form from the website, complete and submit by email, fax or post. Use this form if you receive your electricity from the operator of the residential community where you live.
