Principal's Report

Early this term, students were provided with *General Permission to Publish* notes. We asked that these be returned by yesterday. From this week, if your child does not have a *General Permission to Publish* provided, their name and/or photo will not be able to be printed in the school newsletter, local newspapers or on our school website. If you require another note or wish to discuss the note further, please contact the school.

Safe Travel To School

How safe is your child when travelling to school?

It has been reported that a small number of students have placed themselves in danger by riding their bicycles into intersections without looking into the path of vehicles. Parents are asked to speak with their children about travelling safely and the need to wear helmets if riding their bicycles to and from school. It may be necessary for some students to be accompanied by a responsible adult when riding to and from school.

Students have also been reminded of safe travel on buses. It would be appreciated if parents / carers would reinforce the need for students to remain seated throughout their journeys.

High School Transition On Wednesday

Year 6 students are participating in the third of four transition lessons at the high school tomorrow. Students will be permitted to wear their Year 6 shirts. As all transition lessons are practical lessons that require appropriate footwear, students who do not wear black school shoes or joggers will not be able to participate.

Assembly – Change of Time

Due to our infants' students celebrating the male role models in their lives, the KS assembly will be held from **12.30 pm** in the hall. All are welcome to attend.

Students in K-2 have invited along their dad, pop, uncle or a big brother to participate in special activities and barbecue lunch following the assembly.

Your child will have been given a note if they are receiving an award at the assembly. Please note that this is an earlier assembly at 12.30 pm.

WHAT IS THE FAMILY ENERGY REBATE?

The Family Energy Rebate helps to cover the cost of energy bills for NSW households with dependent children. In 2014-2015 the rebate gives:

- A \$150 credit on electricity bills for eligible applicants who hold an account with an electricity retailer
- A \$165 direct payment to nominated bank accounts for eligible applicants who live in a residential community (caravan or mobile home park) and receive electricity from the park operator.

AM I ELIGIBLE FOR THE REBATE?

To be eligible you **MUST**:

- Be a NSW resident; and
- Have been assessed by the Federal Department of Human Services (DHS) as being eligible for the Family Tax Benefit (FTB) A or B at any time during the 2013-2014 financial year, and have received an FTB payment in respect of that eligibility; and
- Be an account holder of an electricity retailer, or a long-term resident of a residential community (caravan or mobile home park), whose name appears on the electricity account for supply to her or his principal place of residence.

WHAT DO I NEED TO DO BEFORE I APPLY?

Before you apply, here's a quick checklist. Have you:

- Lodged your tax return for 2013-14 with the Australian Taxation Office or informed the Department of Human Services (DHS) if you are not required to lodge a tax return?
- Received confirmation from DHS as to your eligibility for Family Tax Benefit A or B for 2013-2014?

HOW TO APPLY

- **ONLINE** – it takes just two minutes to submit an application. Processing starts immediately.
- **PAPER** – download a form from the website, complete and submit by email, fax or post. Use this form if you receive your electricity from the operator of the residential community where you live.
