### Principal's Report

Welcome back to the final term of this year. The last three terms have passed very quickly, so it is expected that the next eleven weeks will pass just as quickly.

Congratulations go to the students and staff involved in our successful Variety Concert at the end of last term. The feedback received from members of the audiences has been tremendous. The efforts of all contributed to a wonderful event.

#### It's Not Okay to Be Away – Or Late

With the recent change to Daylight Savings time, it will be more difficult to get students to school on time.

Regular bedtimes which see young children in bed by 7.30 pm and older students asleep by 8.30 pm help to get children out of bed on time. Packing lunches the night before assists parents to get children to school on time.

Children who miss school, miss out on education . . . Being late can mean that students miss the introduction to lessons and don't have time to build positive relationships with peers before class. Being on time, and attending every day can reduce anxiety associated with school.

#### High School Transition Starts Wednesday

Transition to high school sessions will be held on the first four Wednesdays of this term. Students will be permitted to wear their Year 6 shirts on these days. As all transition lessons are practical lessons that require appropriate footwear, students who do not wear black school shoes or joggers will not be able to participate.

#### Stage 2 Excursion

Approximately 38 students from Years 3 and 4 will be participating in a two-day excursion to Dubbo next week. The students are expected to be at school by 8.30 am as the bus will be leaving promptly at 9.00 am on Thursday, 16 October. They will return to school on Friday, 17 October between 4.00 pm and 4.30 pm.

In line with our Excursion policy, students will not be permitted to take any electrical item that can access internet or social media, any sharp or expensive items.

#### AECG Annual General Meeting

The annual general meeting of the AECG will be held at 11.00 am on Tuesday, 14 October at the Condobolin High School. Parents and members of the Aboriginal community are invited to attend.

#### P&C Meeting

The next meeting of the P&C will be held this Thursday, 9 October in the school library from 7pm. All are welcome to attend.
