SCHOOL BANKING

MONDAYS

Principal's Report

Our congratulations go to the boys cricket team on another successful game, this time against Parkes Public School in Parkes yesterday. They won by five runs.

Several of our students participated in the Western Area Swimming Trials last Friday. While all swam well, Jarryd Walmsley and Ryan Goodsell have been selected to swim at State level at the end of this term. Well done.

Uniform

A spot check of uniforms was held yesterday, with most students receiving a green award for being in full uniform. We will continue to hold spot checks to encourage the wearing of correct uniform. Well done to the students who are consistently Strong, Smart and Proud in wearing their uniforms.

Sick Students

At the moment there appears to be a vomiting and diarrhoea bug affecting some of our students. To reduce the spread of the virus, please keep students at home for 24 hours if affected by either affliction. Children can dehydrate easily, showing signs of dry lips or mouth, sunken eyes and rapid breathing or pulse. If dehydrated, please consult a doctor.

Did your child miss having their hearing screened?

Less than twenty students have missed having their hearing screened last week. Anyone that missed the screening or needs to have a follow-up assessment can have this done at the Aboriginal Health Service. Please ask to speak with Sophie to arrange an appointment.

Lunches

Please ensure that any lunches that need to be delivered to school are **dropped to the front office before 11.00 am**. Students become upset and miss out on play if they have to wait for lunches to be dropped at school. **We remind parents that students are not permitted to leave the school grounds to collect lunches.**

AECG Meeting

All parents, carers and community are invited to attend the next AECG meeting to be held on Tuesday, 18th March in the SaCC room from 11.00 am.

Life Education Van

Healthy Harold will be visiting the school from 24th March to 28th March. All students will be able to participate in lessons. The cost has been reduced due to sponsorship of Barrick Gold. A permission note will be sent home with more details.

Western Area PSSA Swimming

We had 12 of our students travel to Dubbo last Friday to compete in the Western Area Swimming Carnival. (Sophie Jones, Kaitlyn Maloney, Brianna Richards, Latoya Hansberry, Mackenzie Harland, Ryan Goodsell, Riley Keen, Nic Manwaring, Toby Harding, Jarryd Walmsley, Jackson Keeley and Robert Stokes). All swimmers swam well with some swimming their personal best times in individual events. The majority of our swimmers had not reached this level of competition before and were very excited to be competing in the carnival. Most children from our school were junior competitors who still have 3 or 4 years ahead of them at primary level. Hopefully we will see these children continue to improve their swimming ability and represent us again in the future.

All C.P.S children represented our school with pride and displayed Strong, Smart and Proud behaviour throughout the day. Well done to all of them.

A huge congratulations to Ryan Goodsell and Jarryd Walmsley for being successful in making the Western Area Swim Team to compete in the state carnival at Sydney Aquatic Centre in Homebush on 9th and 10th April. We wish you both all the best in your events.

Lastly I would like to thank the parents who drove our swimmers to Dubbo last Friday. Your support of our children is very much appreciated.

Kim King

Sport Coordinator.

Australia's preeminent youth motivational speaker

LORIN NICHOLSON

Presents

See Sharp

Over the past decade Lorin's award-winning performance called "See Sharp" has received outstanding feedback in over 1300 schools, to more than a million students throughout Australia and the globe.

Thanks to Clubs NSW's BULLYcheck initiative promoting safer schools and safer workplaces, our local **Condobolin RSL Club** is now pleased to support our school by covering the cost of Lorin's visit.

Our school is looking forward to Lorin sharing his simple but powerful messages of perseverance, resilience, respect, inclusion, leadership and striving for excellence with all staff, students, parents, family and community members on;

Tuesday 25th March 2014

9:15am

Many have been quoted as saying that this is without doubt the most motivational and potentially life changing presentation they have ever witnessed.

"You could hear a pin drop in our hall. Your show gave them more to contemplate in one hour than I could ever give them in my classroom."

Lorin's incredible guitar playing, coupled with his amazing life achievements growing up blind, will not only captivate and entertain our school, but will inspire each individual to take on a more positive attitude towards those around them, as well as finding the strength within, to never give up on achieving our dreams.

We are once again grateful for the support of the

Condobolin RSL Club

and invite our entire school community to attend this amazing performance.
