Principal's Report

Our congratulations go to Mrs Rees and her husband on the safe arrival of their son, Hamish over the weekend.

Miss Seagrott completed her L3 Stage 1 Initial year of training last week and was presented with her completion certificate last Tuesday. Miss Seagrott, who has already completed two years of L3 Kindergarten, now joins Miss Porter, Mrs Jones, Mrs Thompson, Ms Horvat and Mr O'Leary as teaching staff at Condobolin Public School with L3 Stage 1 training.

Congratulations also to Mrs Jones, Miss Porter, and Mrs Thompson who were presented with completion certificates for the second year of their L3, Stage 1 training.

On-going professional learning is valued at Condobolin Public School in order to ensure the best teaching and learning opportunities for our students. Congratulations Stage One teachers!

Change of Bus Service

Ogden's Coaches are trialling a change to the First Town Bus service, with students from Willow Bend catching the North Forbes bus home each afternoon. They continue to catch the Town Bus to school of a morning.

Pertussis (Whooping Cough) Outbreak

An outbreak of whooping cough has been confirmed in students at our school. It is important that if your child displays any symptoms of Pertussis (whooping cough) that you take them to the doctors for a simple swab. Your doctor can advise whether Pertussis is likely and arrange for early treatment, if needed. Treating people who have Pertussis with antibiotics can stop the infection spreading, but is more effective if started early.

Cont. p 2

Cont'd ...

To help prevent this infection spreading, children who have been diagnosed with Pertussis **should not attend school until they have completed the first 5 days of a course of the recommended antibiotics.**

We advise parents not to bring young babies, particularly those that have not been immunised, to the school to reduce the chance of them contracting Pertussis.

River Safety

In partnership with the Office of Sport and Recreation, Swimming New South Wales has offered the opportunity for our students to participate in a River Safety Program that is being conducted on Friday at Condobolin Public School.

Children and young people continue to put themselves in danger by jumping from the bridge over the Lachlan River. We ask parents to discuss the danger associated with submerged trees, branches and rocks, and strong currents.

Students and Social Media

The rules of social media organisations, Facebook and Snapchat, state that children under the age of 13 years cannot hold an account. In some instances, children under 13 years will be redirected to more appropriate and safer options.

Sites such as Facebook and Snapchat allow for cyber-bullying to occur within the home of the children, often without the carers being aware as social media can be accessed from mobile phones and tablets (iPads) when the children are supposed to be sleeping.

Cyber-bullying includes name-calling, making threats and posting photos without permission. Are you aware of what your child is writing or photos that they are sharing on social media?

School Leader Nominations Due

The due date for captain and sports captain is this Friday, 13 November. Nomination forms are to be left at the school office.

AECG Meeting

The next AECG meeting is at Condobolin Public School this Wednesday, 11 November at 11.00 am. All interested Aboriginal parents and carers are invited to attend.

P&C Meeting

The next P&C meeting will be held on Thursday, 12 November at 7.00 pm in the library. All are welcome to attend.
