Principal's Report

Welcome back to Term 2. This term we congratulate Ms Porter on gaining permanent appointment as a classroom teacher. We also welcome Miss Lucy Dorman and Miss Claire Owen as temporary teachers who will be working with a range of students across our school.

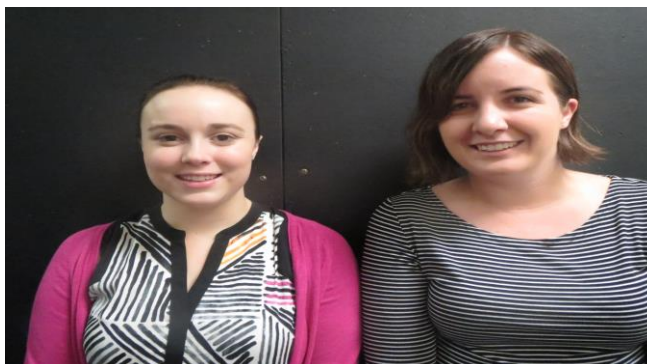

Warm School Jumpers Required

The beginning of Term 2 is historically one in which the weather changes throughout the day. It is important that our students are prepared for the change in temperature from the warmth of home to the cool of the playground.

Students are expected to be wearing, or bringing to school, a school jumper, school jacket or plain blue jumper to school. Coloured jumpers or hoodies are not part of the school uniform, and as such should not be worn.

Strong Smart Proud

We congratulate the 188 students that will be presented with their pink Strong Smart Proud wristbands for Term 1. These students followed school rules on a regular basis and ensured that all absences were justified. These students are in the running to receive a banner award at the end of the year.

Anzac Service

Parents are invited to join our students and staff at our school Anzac service in the school hall from 10.30 am on Friday 24 April.

Anzac Day

We are hoping to see all students attending the town Anzac Day march on Saturday, 25 April for the 100th Anniversary of Anzac Day. Students are asked to meet at the front of the RSL between 10.15 and 10.30 am wearing their full school uniform.

To ensure that respect is shown for this centenary event, we ask that if parents intend taking students from the march prior to the formal proceedings in the park that they move quickly and quietly from the assembly area at the cenotaph following the laying of the wreaths. We invite parents and students to join our community for the formal Anzac proceedings in the park.

Sport Update

Our school netball team will be involved in a gala day in Dubbo this Thursday. Miss Willoughby will be accompanying the girls, with the opportunity for some students to be identified as 'possibles' or 'probables' for selection in the Western NSW netball team. All notes should have been returned.

All students will be participating in AFL sessions next Monday. We are fortunate to have sport development officers teaching a range of AFL skills with each class.

Students will be starting athletics training this term with our athletics carnival being held on Friday, 19 June.

AECG Meeting

The next Aboriginal Education Consultative Group (AECG) meeting will be held Wednesday, 6 May at Western Regional Plains Development (CTC) from 11 am. We would love to see any interested parents, carers and community come along to this meeting.
