Principal's Report

The ASPIRE program is designed to develop student self-esteem and confidence, while exposing them to a range of future career choices, including those not linked to university study. Students in Kindergarten to Year 6 will be able to participate in a range of activities this week. This is our fourth year of involvement in this important program, offered by the University of New South Wales free of charge to our community.

Student Safety

For the safety of students, a child lock has been installed on the pedestrian gate at the front of our school. We apologise for any inconvenience this may cause.

Variety Bash Presentations

Our school was fortunate to have a number of presentations made last Thursday morning as part of the Variety Bash. Our support class has had five iPads and seven iPad covers donated for use by students. An additional iPad was presented to the school by a St George Bank representative. Members of the St Mary's football club gave the school a selection of large and small balls. There was also a presentation of books, amongst other items.

We thank all of the visitors and their sponsors for their support.

Our thanks also go to the organisers and workers at the breakfast. There was a lot of preparation for a fabulous fund raising opportunity.

Students were treated to a magic show following the breakfast. Super Hubert, the world's skinniest magician, kept everyone enthralled.

CWA Public Speaking

Emma, Catherine, Billie and Arnja are competing in the CWA Public Speaking competition at Parkes Christian School today. These students were selected to represent our school following their involvement in a school public speaking event earlier in the term.

Cross Country Results

Four of our students have been successful in gaining a position in the first three places of their races at the Lachlan Cross Country last Friday in Forbes. Nic Manwaring placed 1st, and Zac Manwaring, Tyreece Dargin and Hayley-Grace Whiley placed 3rd in their respective age divisions. These students will have the opportunity to participate in the Western NSW Regional Cross Country Trials in Wellington on Wednesday, 10 June.

Book Fair

Students will have the opportunity to peruse a range of books that will be for sale on Friday as part of our Book Fair. The library will be open between 8.00 am and 4.00 pm for students and parents to make a purchase.

Tummy Bugs

In the past few weeks we have noticed an increase in the number of students suffering diarrhoea and vomiting. There are a number of viruses that can cause diarrhoea or vomiting. Please seek medical assistance if your child develops a rash, shows signs of dehydration or the symptoms continue beyond a couple of days.

Hand washing before eating and after using the toilet is the best method of reducing the spread of diarrhoea and vomiting. Children should not be attending school if they have diarrhoea or vomiting. Please send a note to explain the reason for absences or ask for a medical certificate if you take your child to see a doctor.

Year 2S

Students in Year 2 have been learning to write a good paragraph. A good paragraph starts with a topic sentence. In this case the topic is the character from the book “Koala Lou” and how she feels. The next one or two sentences give details about the topic and the final sentence closes the paragraph. The children in 2S wrote some wonderful paragraphs to retell how Koala Lou felt in the beginning, middle and end of the story.

Topic

Koala Lou was happy because everyone loved her. The emu loved her. The platypus loved her and tough Koala Klaw next-door loved her. But it was her mother who loved her the most.

Detail

Topic

When Koala Lou’s brothers and sisters came along, she was lonely. She was lonely because her mother had no time to say “Koala Lou, I do love you”. Koala Lou had an idea to get back her mother’s attention. She entered the Bush Olympics.

Topic

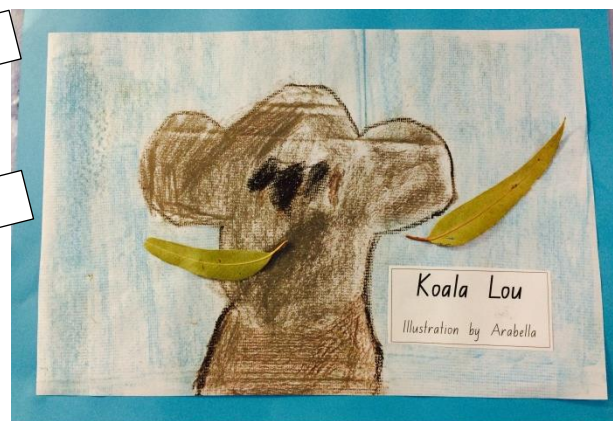

Koala Lou was determined to win the Bush Olympics so she started training right away. She did weights til her muscles hurt, push-ups til her stomach hurt and last of all she climbed the tallest tree she could find. When she climbed the tree, sometimes her mother would say “how ya goin’ Blossum?” Koala Lou would reply “fine, just fine”. Koala Lou was determined to win the Bush Olympics so her mother would say again, “Koala Lou, I do love you!”

Super Hubert Magic Show

The Magic Show

Today we went to see an epic
epic magic show by Super Herbert.
I loved the trick were he shrunk
the deck of cards intill they were
thin ~~to~~ fair. I also liked the
part were he pulled Sam's underwear
^{with out us} off knowing. My favourite bit was when
he scared us with his sparker. I
wonder how he shrunk the cards?

The Super Hubert Magic Show entertained the students at Condobolin Public School following the Variety Bash breakfast last Thursday morning. Students in 2S wrote a paragraph about what they saw and what they were left wondering after the magic.

The magic show

~~The~~ Today we went to Super
he Herberts ^{fantastic} ~~mag~~ magic show. He was
funny how he danced and moved. Herbert
had a rabbit in a door
and he painted it with a plank
paint brush and it turned white.
He had a yellow and red scarf and
gavex it to Sam and he made
Sam's under wear appear. I wonder how
*he made the bunny white?
