MONDAYS

Principal's Report

Congratulations go to the 147 students awarded a blue wristband for Term 2. These children have been Strong, Smart and Proud, displaying positive behaviour with very good attendance, ensuring that any absence is justified with an appropriate explanation provided.

We had 205 children earn the Term 2 PBL Reward yesterday, receiving an icy-pole and extra play. These children had received at least four out of five of the PBL certificates in Term 2. Well done to all!

Kindergarten Information Session

We were pleased to hold our first information session for parents of students starting Kindergarten in 2016, finishing the morning with a visit to the Kindergarten classrooms today.

We ask that any parents with children ready to start Kindergarten next year contact the school on 6895 2134, particularly if they do not attend pre-school. This will help us to ensure that children are not overlooked in our transition to school program. Head Start will not be operating this year. Instead, we are happy to arrange additional transition sessions for children as needed.

Good Luck to Athletes

We wish all of the students representing our school in the Lachlan Zone Athletics Carnival all the best on Friday. Students need to be at North Parkes Oval by 8.30 am, and stay at the oval until they have completed their final event in case of a change to the program. The last event on the program may finish as late as 4.00 pm.

Thank you to the teachers that have provided additional training sessions.

High School Enrolment Forms

Parents of students in Year 6 attending the local high school next year are asked to return high school enrolment forms to Condobolin High School or to our school office as soon as possible. If you cannot find the form sent by the High School last term, another enrolment form is available from the front office.

Late Arrivals

A number of students have been arriving late to school having either slept in or not been organised in relation to lunch or uniforms. These are not justifiable reasons for students being absent or arriving to school late.

Families can support their children by being more organised: making use of alarms in mobile phones, making lunches or getting uniforms and shoes ready the night before. If parents need to get money or go shopping in the morning, we ask that children come to school on time and money, food or uniform items are dropped into school as soon as possible afterwards. This will help ensure that your children are not missing out on a green wristband this term due to unjustified absences.

Middle Childhood Survey

As part of a state-wide study of child development which aims to identify factors affecting later health, education, and behaviour in adolescence or adulthood, by gathering information directly from the children about their thoughts, feelings, actions, and experiences. Students in Year 6 have the opportunity to be involved in an online survey between 3 August 2015 and 16 August 2015. Information packs that give more information about the survey are being sent home with students today. Parents not wishing their children to participate in the survey are asked to return the enclosed letter to opt their child out of the survey. Student responses are anonymous.
