Principal's Report

This week our school celebrates "Education Week" with the annual Variety Concert. Tickets are still available at the front office for \$5 (adult) and \$1 (child). Tickets **will not** be available at the door.

We have scheduled two evening performances this Wednesday evening, 16 September: 5.30 – 6.45 pm and 7 – 8.15 pm. Children are asked to be at school at 5.00 pm to prepare for their items.

This year we would also like to offer the opportunity for you to come in and take a look at students participating in L3 programs in Kindergarten, Year One and Year Two classrooms on Thursday 17th September. We have found through observations, student interaction, teacher instruction and assessment that this program has been a great success for the students attending Condobolin Public School.

Parent Feedback About Our School Website

We are always looking at ways to enhance the quality of communication between our school and our parents. One of the key communication channels is our school website (<https://www.condobolin-p.schools.nsw.edu.au>). The department is looking at enhancing the quality of our school website and would really like to get your feedback as a parent about the type of functionality on the website that would help improve the communication between the school and you.

We would really appreciate if you could take a couple of minutes to complete the following online survey. The survey is located at: -

<https://www.surveymonkey.com/r/WSVSCXG>

Thank you for taking the time to give us your feedback and help us make our school website even better.

The Partners in Learning Parent Feedback Survey

Our school will be participating in the *Partners in Learning* parent survey on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement. Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviour. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online at home or on public computers. The survey will typically takes 15 minutes or less to complete and is completely confidential. The parent survey will be conducted between 17 August and 16 October. Participating in the survey is entirely voluntary, however, your responses are very much appreciated.

Parents and carers access the survey via this direct link:

https://nsw.tellthemfromme.com/j_acegi_security_check?j_username=parent16933&j_password=Con1609

The link should open directly to the 'Begin Survey' page of the parent survey, and no login details should be required. If the survey opens to a login page, please **copy and paste the link into your internet browser**. This will ensure the survey launches directly to page one of the survey.

AECG Annual General Meeting

The Annual General Meeting for the AECG will be held on Wednesday, 21 October. The location is to be advised. All are welcome to attend.

School Returns

School finishes for Term 3 at the end of this week for a two-week vacation. Students and staff return to school on Tuesday, 6 October – just after Daylight Savings starts. We wish everyone a safe and relaxing holiday period.

Children involved in the Stage 2 excursion will head off to Lake Burrendong on Wednesday, 7 October.

Language, Learning and Literacy (L3)

Family, friends and community members are invited to come along and learn about our L3 Literacy programs for Kindergarten, Year 1 and Year 2 children. These programs have been implemented with our teachers over the last 2 years (3 years for Kindergarten) and have had a successful impact on literacy teaching and learning across K-2.

Please come along to learn more and share our success.

We welcome all family, friends and community to join us. Please begin in the school hall at 12noon.

Kindergarten Transition Program

Kindergarten teachers have worked hard this term to provide a variety of learning experiences for children who intend on commencing 'big school' next year. Students come from pre-school and the community to attend a weekly Kindergarten visit. Mrs Rees and Miss Buerckner provide quality learning activities that children will participate in when they start Kindergarten. This program is also an opportunity for children to become familiar with the school environment and some of the school routines whilst making friends.

Here are some of last week's highlights

The last Kindergarten transition session for Term Three
will be held on Thursday 17th September at
1.00 – 1.30 pm in the Kindergarten classrooms.

We hope you to see you there!

Condobolin Public School

Transition Days

Come along, learn and have fun

This year we would like to offer children who are starting Kindergarten at Condobolin Public School in 2016 the opportunity to attend our Kindergarten transition program. We would like to tailor our transition program for the specific needs of children who intend on enrolling at Condobolin Public School. For this to occur we would appreciate enrolments to be completed as soon as possible.

We will continue to offer the same opportunity as Term 3 and will increase transition to two sessions per week.

If your child attends either pre-school service on the days transition is being held, the pre-school staff will bring your child across to Kindergarten and attend the session, stay with you child and after each session is over walk children back to their pre-school.

If your child doesn't attend pre-school on that day or doesn't attend a prior to school service, children can still attend transition lessons. Please bring you child to school on transition day, five (5) minutes before the session commences via the Molong Street entrance of the school and walk your child to the Kindergarten classroom.

We ask you to sign your child in for attending each session. You are then welcome to stay and join in if you like. Otherwise, please be back on time at the end of the session to sign your child out.
