MONDAYS

Last week we provided information about the upcoming change of uniform. To ensure that all students will be able to wear the new uniform for formal events, an order form was sent home for parents to allow us to provide one new school shirt per student, for all students attending Condobolin Public School in 2017. Students entering Kindergarten in 2017 will be able to order their shirts this year, but will receive these when attending Best Start assessments at the beginning of 2017, before starting the school year.

Parents may choose to order additional shirts on the order and pay for these separately at \$25 each for child size shirts and \$30 each for adult size shirts. Alternatively, parents can place orders direct at the canteen. More information will be provided before the end of the year in relation to canteen opening times, for the purpose of purchasing uniform items prior to the return of school in 2017.

AECG Annual General Meeting

The Annual General Meeting for the AECG will be held this Wednesday, 26 October from 11.00 am at the Western Plains Regional Development (CTC) building. All are welcome to attend.

Assembly

Parents, carers and grandparents are invited to attend our formal assembly this Friday, 28 October in the hall starting at 1.00 pm. The students in KO will be leading this assembly as we celebrate Grandparents Day.

Stage 3 Excursion

About thirty Year 5 and 6 students will be participating in an excursion to Canberra next Monday, 31 October. Students are expected to be at school by 6.00 am, with the bus leaving promptly at 6.15 am. It is expected that they will return on Wednesday, 2 November at approximately 6.15 pm. Students attended a camp meeting yesterday and received information about the camp.

Students not involved in the excursion are expected to attend school each day. Miss Richards and Mrs Packham will be organising a range of engaging lessons.

Book Fair

The library will be open between 8.30 am and 4.00 pm on Friday, 11 November for students and parents to purchase books at the Book Fair. Students will be able to have a look at the range of items for sale during their library lessons.

Condobolin Public School would like to invite all Grandparents to attend an assembly to show our appreciation. Like Mother's Day and Father's Day, it's a time for family celebration, and a chance to honour the important role grandparents play in children's lives.

On Friday 28th October at 1.00pm Kindergarten class KO's will hold their formal assembly and perform an item.

After the assembly we would like to invite grandparents to stay and enjoy a cuppa and cake.

These programs have been implemented with our teachers over the last few years and have had a successful impact on literacy teaching and learning across K-2.

Please come along to learn more and share our success.

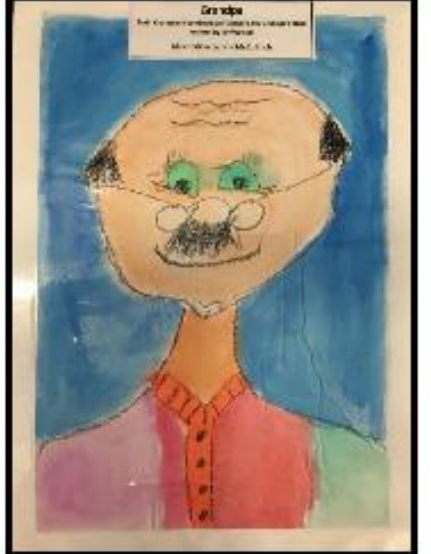

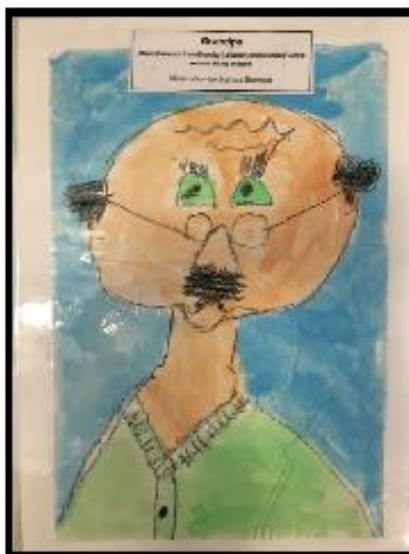

We welcome all family, friends and community to join us.

Please begin in the school hall at 12noon.

Grandpa Portraits from 2B

Last week students in Class 2B read the books "Slippers for Grandpa" and "Grandpa's Shed" by the author Joy Watson. The students discussed the character traits of the main character "Grandpa" and made comparisons between the two stories. Students especially enjoyed painting these portraits of "Grandpa".

Students in KO are hosting a special assembly for Grandparent's Day this Friday. Please come along to be entertained by their wonderful performance.

Snapshots from K6L

Mr Davis and Mrs Dargan are pleased with the STRONG, SMART and PROUD manner in which students in K6L have been maintaining the school vegie gardens. Last week the students of K6L were involved in harvesting some beetroot they had planted earlier on in the year. This involved pulling the beetroot from the ground and washing them to get rid of all the dirt. The beetroot was then prepared to be roasted by cutting the stalks, leaves and any loose roots off. Students then chopped the beetroot into smaller portions ready to be roasted in the oven. Although some students were hesitant to try the roasted beetroot, in the end they discovered they loved the taste of fresh beetroot straight from the garden.

Perfect size to eat!

What a harvest!

Students in K6L are currently planting small cherry tomato seedlings into pots . These will soon be on sale for \$1 each, with all money going towards the garden club. Watch this space!

18 October, 2016

Dear Parent/Carer,

When introducing a new uniform, there is a two-year transitional phase for full implementation, with the current uniform will still be available from local suppliers. To ensure that all students will have the new navy polo shirt with embroidered emblem for school functions, the school will provide all students attending Condobolin Public School in 2017 with one shirt each.

Please complete the following order form for any current Kindergarten to Year 5 students and return to the school as soon as possible for shirts to be made available before the end of the year.

Students entering Kindergarten in 2017 will be able to order their shirts this year, but will receive these when attending Best Start assessments at the beginning of 2017, before starting the school year. Please mark these students as 'Kinder 2017' under their class on the order form below.

To assist with sizing, samples of shirts from sizes 4 to adult sizes are available in the canteen.

Student name	Student class in 2016	Size of shirt to be ordered	Additional shirt/s to be ordered	Amount enclosed for additional shirts

Please return the order form by the end of November.

Children's - \$25 Adults - \$30

Yours sincerely,

Deborah Nay
Principal
