this means that children,
parents, carers and visitors are
asked **NOT TO WEAR**
anything scented as we have
children with severe allergies
in our school.

Please: NO nuts
(including nutella)

SCHOOL BANKING

MONDAYS

Principal's Report

For several years, our school has been involved in the University of New South Wales ASPIRE project. This year is their tenth anniversary. Our school is one of the first primary schools involved in the program. As such, APSIRE would like to film some sessions held next week. Special consent notes have been sent home this week. Please return these as soon as possible if you are happy for your child to be included in any filming that may occur.

Warm School Jumpers

As the weather has cooled in the past week, we ask parents to ensure that students either wear or have a school jumper or jacket in their bags. Some of our students have not been prepared for the change in temperature from the warmth of home to the cool of the playground.

Students are expected to be wearing, or bringing to school, a school jumper, school jacket or plain blue jumper to school. Coloured jumpers or hoodies are not part of the school uniform, and as such should not be worn.

NAPLAN

Students in Years 3 and 5 will be participating in National Assessment Program – Literacy and Numeracy (NAPLAN) this week. The value of these tests is in seeing the amount of improvement from one test to the next.

It is important that the children are calm about doing the assessments and have sufficient rest. Talking about the assessments too much makes children very anxious and does not allow them to do their best.

CLASS ATTENDANCE AWARDS

- 2D (Rex Shoemark & Lara-Lee McRae) 5S (Breal Bennett & Kaitlyn Maloney)

Cont.d P2..

Cont..

Peachey Richardson

Our school will be fielding a competitive team for Stage 2 and Stage 3 next Tuesday for the Peachey Richardson gala day. Notes have been sent home for those selected.

AECG Meeting

The next Aboriginal Education Consultative Group (AECG) meeting will be held this **THURSDAY, 12 May at Condobolin Public School from 3.45 pm**. We would love to see any interested parents, carers and community come along to this meeting.

Assembly

Parents and carers are invited to join us at 1.00 pm in the hall for the 2B assembly item this Friday.

Condobolin Public School has one position available for a **Personalised Learning Support (Norta Norta) Tutor**

Personalised Learning Support Tutors will:

- Provide support to targeted Aboriginal students to improve their literacy and/or numeracy achievements.
- Assist students to develop skills and understandings that enable them to independently participate in class activities.
- Work closely with the teacher to ensure the tuition provided is relevant to their learning needs.
- Maintain a structured timetable in negotiation with teachers to ensure all eligible students receive tutor support.
- Keep a record to communicate observations and information about each student to the class teacher.
- Assist teachers as requested to communicate and provide feedback to parents, caregivers and community members.
- Attend, where possible, professional learning activities to develop effective strategies in providing tutorial support to Aboriginal students.

Suitable Aboriginal or Torres Strait Islander people have priority for employment, other applicants are encouraged to apply. Applicants will need to have a current Working with Children Check and complete a Prohibited Employment Declaration.

Employment will be for up to 25 weeks, 5 days a week on a part time/casual basis or its equivalent.

Pay Rate: \$31.87 per hour

Applicants are asked to submit their application and CV with at least two referees to:

Ms Deborah Nay
Principal
Condobolin Public School
Molong Street, Condobolin NSW 2877

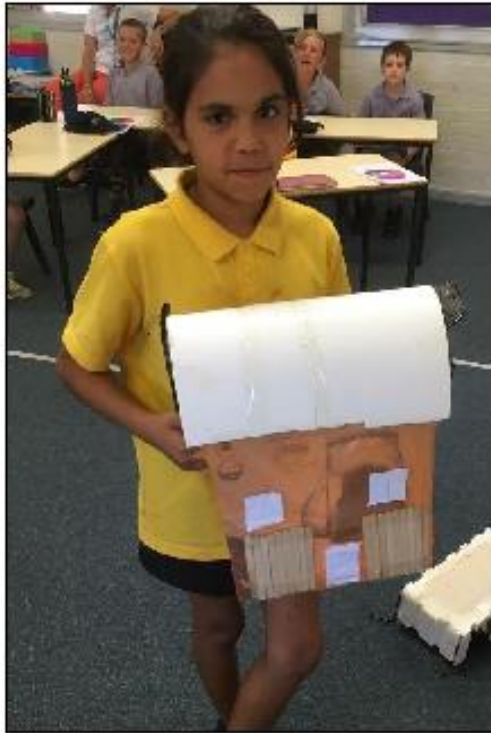

Applications close 13 May 2016

Snapshots from Stage 2 – Class 3/4C

Miss Cooper is enjoying teaching at Condobolin Public School and has a Year 3 and 4 composite class of STRONG, SMART and PROUD students. During studies within the unit "Products", students were asked to design and make a shelter that would withstand the weather conditions of rain and wind. Students were required to draw a plan and collect the resources needed to build their shelter. A variety of house structures were created using recycled materials and tested against the elements of rain and wind. (sand and water). Lots of fun was had throughout this 'design and make' investigation. Miss Cooper was able to photograph some of the completed shelters before they were tested against the wind and rain.

Join Michael Grose for a 3-week online parenting course

Raising Well-behaved Kids *Teaching kids to be safe, savvy and social*

The **Raising Well-behaved Kids** course will teach you real-life strategies to help you safely raise sociable kids so that they can fulfil their potential.

You'll learn how to:

- ✓ Move **beyond** 'time out' and 'time in' to develop a **broad range** of responses to children's poor or unsociable behaviour.
- ✓ Recognise the purpose of behaviour and importantly, how to **respond** so you put an end to annoying, frustrating behaviours.
- ✓ Get **more cooperation** from your child without always raising your voice, repeating yourself or offering endless bribes and rewards.
- ✓ **Plan** your approach to children's behaviours so that you can achieve lasting **change**.
- ✓ **Better manage** tough nuts, teens and sensitive types that don't fit into usual discipline techniques.

How will it work?

- ✓ You receive a short video with a follow-up activity each weekday – 15 sessions across 3 weeks.
- ✓ Each session (including the follow-up) should only take **15 minutes** of your time. Alternatively, you can complete all your sessions on the weekend if you are busy mid-week.
- ✓ Participate in a live Facebook Q&A each week where you can ask **Michael Grose questions**.

Join now for only \$67. When you enrol you'll start your learning straight away through the online resources in Parentingideas Club, including articles, e-Guides, posters and videos.
