asked **NOT TO WEAR**  
**anything scented** as we have  
children with severe allergies  
in our school.

Please: NO nuts  
(including nutella)

### SCHOOL BANKING

MONDAYS

### Principal's Report

Last week our students participated in the annual ASPIRE sessions, with Tom returning to work with classes again this year.

The importance of these visits is around exposing students to a range of occupations beyond those that children may know about.

Students were involved in a range of fun group activities that required them to work cooperatively with others. We were extremely proud of the way in which our students contributed to the sessions.

### Social Media – Friend or Foe

The rules of social media organisations, Facebook and Snapchat, state that children under the age of 13 years cannot hold an account. In some instances, children under 13 years will be redirected to more appropriate and safer options.

Sites such as Facebook and Snapchat allow for cyber-bullying to occur within the home of the children, often without the carers being aware as social media can be accessed from mobile phones and tablets (iPads) when the children are supposed to be sleeping.

Cyber-bullying includes name-calling, making threats and posting photos without permission. Are you aware of what your child is writing or photos that they are sharing on social media?

Parents and carers are role models for our young people and therefore need to consider the manner in which they utilise social media. If you allow children to be a 'friend' on a social media site, they or their friends will be able to follow the threads of your writing or the writing of others. Sometimes there are things written by adults on social media that would not be uttered in front of children. It is difficult when some of these writings are disrespectful of people that parents want children to respect. Please be careful for the sake of all of our children.

### Assembly

Parents and carers are invited to join us at 1.00 pm in the hall for the KS assembly item this Friday.

### P&C Meeting

The next P&C meeting will be held on MONDAY, 6 June in the school library from 7.00 pm. All are welcome to attend.

### AECG Meeting

The next Aboriginal Education Consultative Group (AECG) meeting will be held on Wednesday, 8 June at Condobolin High School from 11.00 am. We would love to see any interested parents, carers and community come along to this meeting.

### Book Fair – Next Week

The library will be open between 8.00 am and 4.00 pm on Friday, 3 June for students and parents to purchase books at the Book Fair. Next week, students will be able to have a look at the range of items for sale during their library lessons.

### Head Lice

We have found a number of students have been kept home from school because of head lice. Parents should check their child's hair regularly for head lice and undertake treatment where eggs or lice are identified. Advice from NSW Health indicates that there is no need for students to be sent home or excluded from school because of head lice. Head lice is not a valid reason for absences from school.

## Snapshots from Stage 1 – Class 2B

*Miss Buerckner has been impressed with the effort her students are putting into their writing. Improvement can be seen with the amount they are writing as well as the quality of what they have written.*

*Children become good writers by reading what good authors have written. Last week children read the Story "The Day The Crayons Quit", By Drew Daywalt. In this funny story, the crayons quit and each crayon writes a letter to the owner Duncan explaining why he or she quit.*

*Students in 2B took on the role of Duncan's friends and wrote a letter to the crayons asking them to come back.*

## The Day The Crayons Quit!

Come and read the letters children wrote to ask the crayons to come back. Miss Buerckner has many more examples proudly displayed on the wall in her classroom.

*Dear Crayons,*

*Please come back. We need you. I can't colour in.*

*If you come back I will use all of my  
crayons to make a neat picture. I will use  
orange and yellow for the sun.*

*If you don't come back, I will melt you and put you in crayon stew. All of you will be sad if I put you in the stew.*

*When you come back, I will buy lollies for all of you. I will buy 100 lollipops.*

*Your angry friend,*

*Sasha.*

# FREE child car seat safety check

## 2 in 3 car seats are not being used properly

Make sure your child is safe with a free inspection by Authorised Restraint Fitters. You can have your child car seats, harnesses and booster seats checked for safety and fit.
