SCHOOL BANKING

MONDAYS

After an assessment of the grounds at lunch time today, a decision has been made to only hold competitive shot put and long jump events tomorrow and races as we can before the end of the week, due to the amount of water still lying about on the school oval, and not the full athletics carnival. This change will ensure that we will be able to nominate up to two students for each of the track events and one student for each field event for the Lachlan Zone PSSA Athletics Trials.

Our students will be involved in lessons and remain warm and dry, except when participating in races or the competitive field events. Competitive events - shot put and long jump will be held according to the times listed on the carnival program. Parents are welcome to come along and cheer students on.

We apologise for any inconvenience.

Trophies and medallions will be presented to champions and runners-up in each age division at a special athletics assembly which will be held on Friday, 22 July at 9.20 am. Parents are invited to attend.

Three-Way Interviews

To assist in better understanding how your child is performing at school, parents are invited to participate in a Three-Way Interview with the teacher and child after school on Wednesday, 29 June.

Keep Warm

Please remind your child to have a warm school jumper or jacket with them at all times. Often, when children are at home they are quite warm and do not think about how cold it may be on the playground.

NAIDOC Assembly

Parents and community members are invited to join students and staff as we celebrate NAIDOC Week for 2016. This year's theme is *Songlines: the living narrative of our nation*.

A special assembly will be held this Friday, **1 July from 10.30 am**.

Start of Next Term Different to the High School

Students of Condobolin Public School will return to school on Monday, 18 July. The staff development day for our school is on the Friday of the Condobolin Show, 26 August.

High School students return to school on Tuesday, 19 July.

We wish all students and families a safe and enjoyable winter vacation.
