

WELCOME TO WEEK 10 TERM 4 2022

Principal's Report

Welcome to the last week of school for 2022

Yes, it is really the last week of the 2022 school year.

I would like to take this opportunity to wish Year 6 a wonderful last week of their primary school. It has been my privilege to be their principal from Year 2 through to Year 6. We are so proud of everything that you have achieved in your time with us at Condobolin Public School and we look forward to seeing all of the achievements to come for each of you as you enter into High School and beyond.

Staffing Update

Unfortunately, we have been unable to fill the permanent positions of Assistant Principal Special Education and Special Education Classroom teacher. These positions will be advertised to be filled on a temporary basis and continue to be advertised at the start of 2023.

2023 Staff Structure and Classes

The staffing structure will be communicated in a principal update at the end of this week. On Thursday students will have a session with their 2023 class and in the room where their class will be next year. Transitions for Year 2 to the 3-6 playground have been in place and the kindergarten interviews have been conducted with great anticipation for the first day next year.

Bright Additions to the K-2 Playground in 2023

Additional sheltered seating will be added to the outside of the primary oval and K-2 oval through the holidays. This will allow for students to sit in shaded spaces when not playing directly in oval games. During Term 1, designs and images are to be painted on to the cemented areas of the K-2 playground including snakes and ladders, road map for toy car play, sensory path and more.

Additional Staff Development Day 19th December 2022

As we near the end of the year, I want to thank you for your ongoing support and to remind you of a date change for the last day of Term 4 classes.

Students will now finish school on Friday 16 December 2022. This is due to an additional School Development Day announced for staff across NSW Public Schools. School Development days allow our staff to participate in professional learning that was put on hold due to COVID-19 staffing pressures and plan for 2023 to ensure we meet the needs of our students. With this change we ask that you arrange alternative care for your child on Monday 19 December. While there will be no classes on Monday 19 December if you cannot arrange alternative care for your child we will; provide minimal supervision at school. If you have any questions or concerns please contact me at the school on 02 68 952134

Kind Regards

Mrs Jessica Neilsen

Principal

Kindergarten News

Santa's elves have arrived and are spreading loads of Christmas cheer. Each day they deliver us a Christmas storybook that sets the day's theme. So far, the elves have made us play Christmas sight word games, design an ugly sweater, write an elf application, dress up as elves, paint a portrait of Santa and write him a letter. Children are having a merry good time.
