

WELCOME TO WEEK 9 TERM 3 2022

Principal's Report

Dear Families,

LED Lights Upgrade

All the lights throughout the school have been upgraded to be LED lights as a State initiative. They have enhanced the lighting and appearances indoors. Our external lights have also been replaced.

Historical Building

The hallway flooring will be completed in the upcoming school holidays. Asset officers have visited recently to go through the planned maintenance schedule, and we are waiting to hear back what will be approved to be completed. Currently the painting of the Library building and classrooms inside and various rooms have been identified for new carpet. The process, once these items have been identified is to wait to hear what has been approved.

Establishment of a 3rd Multicategorical Class

In consultation with NSW DoE Delivery Support – student support and specialist programs and with our Director Educational Leadership, Mrs Karen Burke, CPS have been approved the establishment of a third MC class to support our students with additional needs to connect, succeed and thrive in a smaller classroom environment with individualised learning. This third class also provides our school with an Assistant Principal Special Education and a permanent SLSO for this class.

Own your own Chrome Book

For students in years 3-6, there is the opportunity to pay off a Chrome Book to own by the time a student finishes Year 6. This year the costs have been subsidised based on what year the student is in due to the shorter time frame to pay out the device compared to students from Year 3 next year. If you would like further information, please contact the school.

Kindergarten and Year 7 Transition has commenced

Transition has commenced for students going to CHS in 2023. This term has seen CHS staff engaging with Year 6 at both primary schools. For students who are not attending CHS in 2023 alternative arrangements are being made to support their transition into a high school setting with Miss Kontrec taking these students on the transition afternoons.

Our 2023 Kindergarten students have been visiting throughout this term with Miss Heidi. Our information session for parents is tomorrow at 10am. If families cannot make it please contact the school for a one to one meeting. A recording will also be available week 2 Term 4.

PBL Revival

PBL is undergoing a review. Our Strong, Smart and Proud values will remain the same however award processes are being evaluated. The current bronze, silver and gold awards will be replaced with an incremental rewards system that recognises achievement and effort where currently these awards are linked with our fast and frequent system. As our Good Ones are already linked to Whole School Celebration Days and end of term Celebrations days it has been decided to separate the awards. Awards will be handed out during the school day.

We will also be reviewing the current expectations under each of the values to be aligned more clearly with school practice and to develop a shared understanding throughout our school community.

2023 will see a new system in place and consultation will take place throughout Term 4 to collect feedback from students, staff and community.

Community Cafes

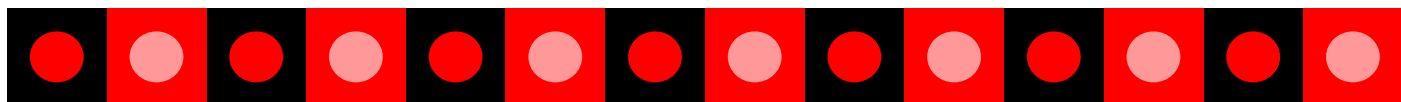

I will be holding Community Cafes where parents/carers will be invited to meet with myself and additional staff throughout the term to seek feedback, build relationships to contribute to the directions of CPS. These will be informal meetings with a

good feed!

Kind Regards
Mrs Jessica Neilsen
Principal
Condobolin Public School

Kindergarten News

Students of KB and K/1C have been exploring the concept of Families.

Throughout their HSIE lessons they have:

- Explored the terms we use to label particular family members
- Identified how many people are in their own family
- Recorded this information on a graph
- Represented their own family through drawings and range of other creative art experiences, including funny family collage portraits

Students have thoroughly enjoyed sharing stories about their own family, including the activities they enjoy doing together and the different types of events they celebrate.

STAGE ONE HISTORY WALKING EXCURSION

Students looked at buildings and sites in their community, discussing how they have changed over time.

Stage 2 News

Backflips Against Bullying

Last Thursday, Stage 2 were visited by the Backflips Against Bullying team. Through incredible acrobatics and moves, we were able to learn about bullying and what we can do to stop it. Stage 2 would like to say a big THANK YOU to the Backflips Against Bullying team for putting on a great show.

R U OKAY

Students in Stage 2 have been participating in R U OK day activities, creating a sense of belonging. We have been creating and looking at the KEYS to being a good friend. Stage 2 check in and check out throughout the day to create a fun and happy learning environment.

Stage 3 News

We have had a super busy Term 3.

Year 6 transition occurs every Thursday with Miss Norrie, Ms Porter and Mr Cikos.

Students from both CPS and St Joseph's are experiencing a taste of High School life.

Recently year 6 students were engaged in Maths and flying high with rocket powered science.

Looking back on the Term.

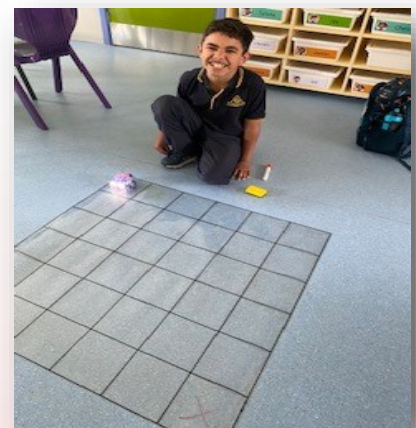

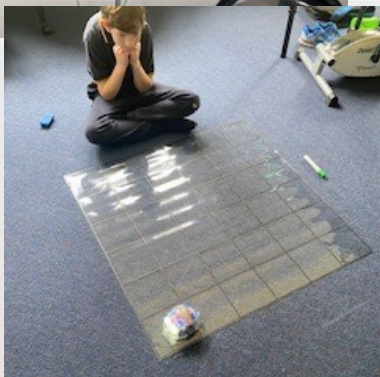

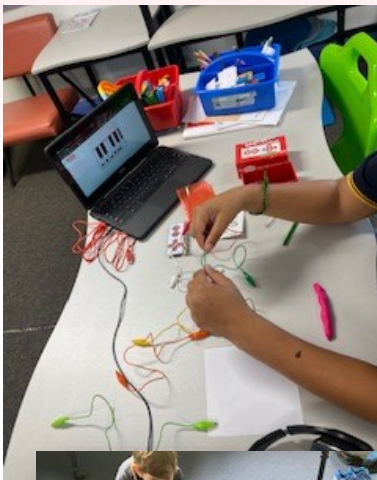

Stage 3 completed their special zoom health talks. They have been practising the skills learnt in both the classroom and playground. Demonstrating Strong, Smart and Proud behaviour.

K-6S and K-6P Catch up

Students in K6S & K6P have been enjoying Tech Time, a PBL reward. Different activities were chosen by the students. Some chose Makey Makey and others chose to code the Beebots. Students are also enjoying playing basketball together.

Makey Makey is an Invention Kit for everyone. It is designed to connect everyday objects to computer keys. Using a circuit board, alligator clips, and a USB cable, the toy uses closed loop electrical signals to send the computer either a keyboard stroke or mouse click. signal.

BACKFLIPS AGAISSNT BULLYING

Last Week, the Backflips Against Bullying Team came to visit. Backflips Against Bullying is a Health Program for Primary Schools Students, that features high-energy 1 Hour performances by their teams of incredible acrobats.

This program empowered our students to have the power to stand up for one another, and give students the necessary tools and strategies to hold each other accountable for preventing bullying at our school.

Why attendance matters

When your child misses school they miss important opportunities to:

Learn

Make friends

Build skills through fun

Days missed = years lost

A day here and there doesn't seem like much, but...

When your child misses just...

they miss weeks per year

and years over their school life

1 day per fortnight
 = **4** weeks
 = Over **1** year missed

1 day per week
 = **8** weeks
 = Over **2.5** years missed

STUDENT LEADERSHIP NEWS

Friend Fundraiser for Rachel

On Thursday 1st of September, students were encouraged to come to school dressed in their favourite sports clothes or as their favourite sportsperson. Gold coins were collected and \$500 was raised! Thank you to everyone who supported this event. The money raised will contribute towards the costs involved with Rachel participating in Cricket Competitions for Wanderers Australia in England and France.

Play Programs

The SRC "Thursday Clubs" held during lunchtime, will finalise this Thursday. Any student is welcome to come and join us in the hall at lunchtime on Thursday for the final "Clubs" session. Seventy-five children joined us last week for a mixture of bead threading, Brain Box, Bowling, Craft, Origami, Hammer and Bang, Percussion and Drama. Noisy fun!

Have You Got Talent?

In Term 4, the SRC will seek interested students to audition for a lunchtime Talent Show. Categories will include - Comedy; Dance; Vocal; Instrumental; Drama and 'Other'. Entries will be sought from individuals, pairs, or groups of students. Get together with a friend and start planning something awesome to perform.

Watch this space for more details!

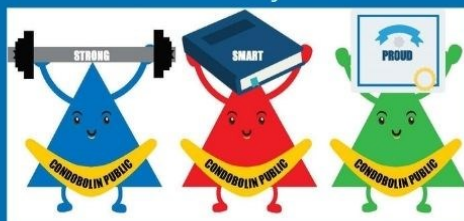

FUNDRAISING FUN

Rachel graciously received our donation at the Week 8 Assembly.

Two motorbike mad sports day dressers - Rowley and Chad!

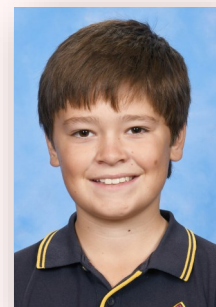

We are so proud of Judd Gallagher and Rafael Marsh who represented CPS in the regional final of the Premier's Spelling Bee. Standing in front of a camera and spelling words aloud is not an easy task. After a nervous beginning both boys became more relaxed with each round.

Judd was successful in reaching round 5 of the Stage 2 final. His words included feature, trident and stalactite with words becoming more difficult with each round. A fabulous effort Judd, well done!

Rafael was the Stage 3 final winner with words like quark, thesaurus and mispronunciation. Rafael will compete in the state final against students from all over NSW in term 4. Congratulations on an incredible effort Rafael.

Eli competes at PSSA State Primary Golf in Sydney

Good afternoon boys and girls.

For those who don't know me I am Eli Heffernan and today I am going to talk about my experience at State Golf on Monday 5 to Wednesday the 7 September. On the 5th & 6th I played at Brighton Lakes in Moorebank and on Wednesday I played at The Ridge in Barden Ridge. Every day I had to get up at six in the morning to get to the course by 7. It was a ten-minute drive to the first course and a thirty minute drive to the second at Brighton Lakes. The clubhouse was massive, the greens were much faster than Condo obviously. On Brighton Lakes there were sixteen out of eighteen holes that had water on them. They also had a lot of bunkers which Condo have none of. The first day was an Ambrose that means our team of four made up of western and 2 kids from the Hunter. We all hit, then we take the best ball and all hit from there. Our team of 4 won the net which means we take our handicap off our stroke score. The first course was so cool because it went under the M5 motorway.

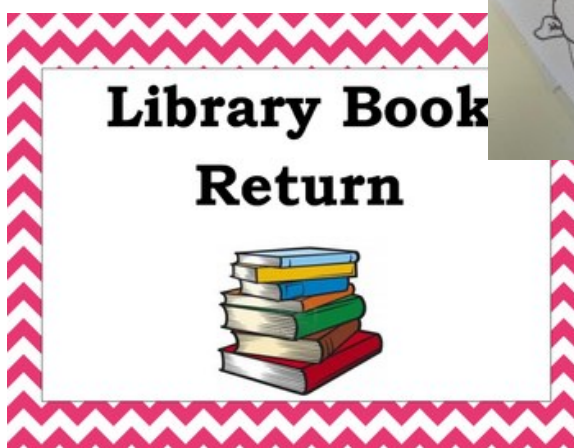

The second two days were individual events. The kids I played with were great and I made a couple good friends. On the second day I hit my best ever shot on a par three and hit it to 195 cm. The third day brought a lot of new challenges considering it was a whole new course and the greens were so fast. It was a once in a lifetime opportunity and I am very grateful for it to come along. As I enjoyed this opportunity it will encourage me to continue to pursue at a higher level of golf. I would like to publicly thank mum and dad for taking me and their support along the way.

Congratulations Eli. What a wonderful achievement! We are all very proud of you at CPS.

Drawing, colouring and writing competitions with major prizes. Enter now!!!
